The bills must be submitted in four copies (**1-Original + 3 copies**) along with the joint measurement taken at site with the designated representative of Infra Projects department and Engineer of consultant RJBCPL.

7. PRICES & TAXES:

7.1 The rates quoted in the Price Bid (Part II) shall include:

- (i) All expenses viz., transportation, storage, royalties, handling, wastage etc. and all applicable taxes, duties & municipal levies viz., Excise Duty, Import Duty, Octroi/LBT, labour cess, ESIC, PF etc except WCT under VAT and Service Tax.
- (ii) **Applicable Works Contract Tax under VAT & Service Tax including Swachh Bharat Cess and Kisan kalyan Cess, which are to be quoted separately as required in the Price Bid (Part-II).**

Price Bids will be evaluated by adding (i) & (ii) above for determining ranking of Bids.

7.2 Bidders shall indicate the extent (in terms of percentage) of Works Contract Tax (WCT) under VAT and Service Tax, considered in their Price Bid in the 'BLANK PRICE BID' appearing online in Part-I.

7.3 Bidder(s) shall not be entitled to any increase in rate of taxes occurring during the period of extended delivery schedule, if there is delay in supply / completion attributed to him. However, if there is a decrease in taxes, the same must be passed on to MDL.

7.4 Taxes and other levies shall be deducted at source wherever applicable as per statutes (e. g. Income tax, WCT under VAT, Service Tax, Labour Cess) from the bills of the Contractor.

7.5 Bidders must separately indicate the percentage of Service Tax and WCT under VAT included in their Price Bids. No change, whatsoever shall be allowed to the indicated percentage of taxes after the tender closing date. Further, the indicated percentage of taxes if exceed the applicable percentage as per Government laws then MDL reserves the right to discount such percentage at par with the statutory requirement during price negotiations.

7.6 As per the provision made in article 63, Schedule-I, read with section 30, of the Maharashtra Stamp Act (Bombay Act LX of 1958), Stamp duty is payable by the successful tenderer for "works contract" that is to say, a contract for works and labour or services involving transfer of property in goods (whether as goods or in some other form) in its executions. Hence, the successful tenderer to pay Stamp duty of ₹ 500 + 1% of the amount above ten lacs subject to maximum of Rs. 25.00 Lacs on the Contract Value.

8. ESCALATION:

8.1 If the prices of materials (not being materials supplied or services rendered at fixed prices by MDL and/or wages of labour required for execution of the work) increase, the Contractor shall be compensated for such increase as per provisions detailed below and the amount of the contract shall accordingly be varied, subject to the condition that such compensation in prices shall be available only for the work done during the stipulated period of the contract including such period for which the contract is validly extended under the provisions of the contract. Such compensation for escalation in the prices of materials and labour, when due shall be worked out based on the following provisions:

8.1.1 The base date for working out such escalation shall be the last date on which tenders were stipulated to be received.

8.1.2 The cost of work on which escalation will be payable shall be reckoned as 85% of the cost of work as per the bills, running or final, and from this amount the value of materials supplied or services rendered at fixed charges shall be deducted before the amount of compensation for escalation is worked out. In the case of materials brought to site for which any secured advance is included in the bill the final value of such materials as assessed by the Engineer-In-Charge (and not the reduced amount for which secured advance has been paid) shall be included in the cost of work done for operation of this clause. Similarly, when such materials are incorporated in the work and the secured advance is deducted from the bill, the full assessed value of the materials, originally considered for operation of this clause, should be deducted from the cost of the work shown in the bill, running or final. Further the cost of the work shall not include any work for which payment is made at prevailing market rates.

8.1.3 The compensation for escalation for materials, labour and P.O.L. shall be worked out as per the formula given below:

$$i) \quad V_m = W \times \text{Coeff} \times (M_i - M_{i0})/M_{i0}$$

where

V_m	:	Variation in material cost i.e. increase or decrease in the amount in rupees to be paid or recovered.
W	:	Cost of work done worked out as per para 7.1.2 above.
M_i & M_{i0}	:	All India Wholesale Price Index for All Commodities , for the period under reckoning as published by the Economic Advisor to Government of India, Ministry of Industry and Commerce, for the period under consideration and that valid at the time of receipt of tender, respectively.
Coeff	:	0.70 (For Part A: Civil) 0.78 (For Part B: Electrical)

$$ii) \quad V_l = W \times \text{Coeff} \times (L_i - L_{i0})/L_{i0}$$

where

V_l	:	Variation in labour cost i.e. increase or decrease in the amount in rupees to be paid or recovered.
W	:	Cost of work done worked out as per para 7.1.2 above.
L_i & L_{i0}	:	Consumer Price Index for Industrial Labour (All India) declared by Labour Bureau, Govt. of India) as applicable for the period under consideration and that valid at the time of receipt of tenders, respectively.
Coeff	:	0.25 (For Part A: Civil) 0.20 (For Part B: Electrical)

$$ii) \quad V_f = W \times \text{Coeff} \times (F_i - F_{i0})/F_{i0}$$

where

V _f	:	Variation in cost of fuel, oil and lubricants, increase or decrease in the amount in rupees to be paid or recovered.
W	:	Cost of work done worked out as per para 7.1.2 above.
F _i & F _{io}	:	Average index number of whole sale price for group (fuel, power, light and lubricants) - as published by the Economic Adviser to Govt. of India, Ministry of Industry & Commerce for the period under reckoning and that valid at the time of receipt of tenders, respectively.
Coeff	:	0.05 (For Part A: Civil) 0.02 (For Part B: Electrical)

8.1.4 The following principles shall be followed while working out the indices mentioned in sub para 7.1.3 above:

- i) The index relevant for any month will be the arithmetical average of the indices relevant to the three calendar months preceding the month in question.
- ii) The base index will be the one relating to the month in which the tender was stipulated to be received.
- iii) The compensation for escalation shall be worked out at quarterly intervals and shall be with respect to the cost of work done during the previous three months. The first such payment will be made at the end of six months excluding the month in which the tender was submitted and thereafter at three months interval.
- iv) In the event the price of materials and/or wages of labour required for execution of the work decrease/s, there shall be downward adjustment of the cost of work so that such price of materials and/or wages of labour shall be deductible from the cost of work under this contract and in this regard the formula herein before stated under this para 7.1.3 shall mutatis mutandis apply.

9. DELAY DAMAGES/ LIQUIDATED DAMAGES:

- 9.1 Time is the essence of the contract and therefore the job, as ordered, should be completed on the dates mutually agreed upon in accordance with the delivery schedule. In cases of delay not attributable to MDL and Consultant RJBCPL beyond the agreed schedule, the Contractor shall pay liquidated damages, a sum representing 0.5% (Half percent) per week or part thereof, subject to maximum of 5% of the final Order / Contract value.
- 9.2 If the Contractor fails to complete the works within the time or extended time as per the Order, then the contractor shall pay to MDL the sum stated above as liquidated damages for such default and not as a penalty for every day or part of a day which shall elapse between the time prescribed or extended time as the case may be and the date of completion of works. MDL may without prejudice to any other method of recovery deduct the amount of such damages from any monies in his hands due or which may become due to the contractor. The payment or deduction of such damages shall not relieve the contractor from his obligation to complete the works or from any other of his obligations and liabilities under the contract.
- 9.3 Part Completion and Taking over by MDL:- If before the completion of the whole of the works any part of the works has been certified by the MDL and Consultant RJBCPL as completed and occupied or used by MDL the liquidated damages for

delay shall for any period of delay after such certification be reduced in the proportion which the value of the part so certified bears to the value of the whole of the works.

10. HINDRANCE:

Ground floor, surrounding area and approaches shall be kept all the time clean and accessible.

13. VARIATION IN QUANTITY/ EXTRA ITEM:

13.1 VARIATION IN QUANTITY

MDL reserves the right to increase the quantity of any item in the BOQ to any extent provided the increase in the total Estimated Amount due to this change in the quantity over BOQ quantity multiplied by specified rate for all the items put together do not exceed 25% of the Accepted Contract Value. The same is binding on the Contractor and the Contractor shall execute the same at the specified rate in the Purchase Order for that item.

13.2 EXTRA ITEM:

13.2.1 A new rate or price shall be negotiated appropriately for an item of work if:

- i. This change in the executed quantity multiplied by specified rate for all the items exceeds 25% of the Accepted Contract Amount. Or
- ii. This item is not specified in the Bill of Quantity of the Purchase Order.

13.2.2 **Derivation of new rates:**

Each new rate or price shall be derived from any relevant rates or price in the Purchase Order with reasonable adjustments to take account of the matters described above, as per following order of precedence for pricing deviations:

- i. In respect of items already included in Bill of Quantities, the new rates shall be derived from the identical item of BOQ.
- ii. In respect of items not included in Bill of Quantities but where similar items are found in BOQ, the new rates shall be derived from the rates of similar item indicated in Bill of quantities, where such a derivation is possible.
- iii. In respect of item neither directly included in BOQ nor there is similarity between the work carried and work specified in BOQ, new rate shall be derived from Standard Schedule of Rates promulgated by CPWD/MBPT/PWD/MIDC considering the percentage quoted/ negotiated during tendering stage.
- iv. Where it is not possible to derive the rates from the above (i) to (iii), the same shall be based on the actual cost to the Contractor plus a profit @ 15%. In this case the Contractor has to produce satisfactory evidence/vouchers as proof of expenditure.

14. FINAL BILL AND TAKING OVER CERTIFICATE:

14.1 Within 7 days of completion of work, the contractor shall apply in writing to the Consultant RJCPL for issue of work completion certificate. Taking Over certificate will be issued by the Consultant RJCPL with due consent of MDL within one week of satisfactory completion of work and recording of the joint measurement. Within one month after date of issue of work completion certificate, the Contractor shall submit the Final Bill along with a copy of Taking Over Certificate. Final bill submitted after the expiry of the above said period is liable to be rejected.

15. INSURANCE:

- 15.1 The successful Tenderer has to keep MDL indemnified against any claims by purchasing **CONTRACTOR'S ALL RISK insurance policy** for the full value of the Contract from any Insurance Company of repute.
- 15.2 The policy shall be obtained in the joint names of MDL and the Tenderer, with MDL's name appearing first. The Policy should be of full value of the Contract and shall be valid till the completion of the works.
- 15.3 The original of policy shall be lodged with MDL.

16. WATER PROOFING GUARANTEE:

- 16.1 The successful Tenderer(s) shall submit Waterproofing Bank Guarantee, as per MDL format at **Enclosure-4**, for the value 10% of the total amount of waterproofing works, as indicated in the Purchase Order, valid for a period of 5 years from the satisfactory completion of waterproofing work.
- 16.2 Alternatively, in case, the amount of Waterproofing Bank Guarantee is less than Rs 10,000/-, a retention towards Water proofing Bank Guarantee shall be made from the invoices of the Contractor which shall be released after expiry of the period of 5 years from successful completion of the waterproofing works provided there is no defect observed during the said period required to be rectified by the Contractor.
